

USATF Officials Portal

USATF National Officials Committee has established a portal for each official to view his or her official's profile, certification status and membership information along with other resources and applications. In addition, the site provides any evaluations from national championship meets that required an application and a selection process where that official worked.

To access the portal, individuals need their certification and current USATF membership numbers.

Go here to create an account. Need certification number and valid USATF membership number
